IN THE SPOTLIGHT!

ON DISPLAY: KAREN WHITE'S HOLIDAY BARBIE COLLECTION

Karen has been collecting holiday Barbie dolls for about 26 years. She buys two each year, one for each of her daughters. The Barbie dolls are considered collectors items because the material they use is a limited supply, so once they run out of material, they don't make any more. All of her holiday Barbie dolls are mint-in-box.

Do you have a cool collection or hip hobby? You can display your treasures and talents in our lobby! Contact Lisa.

Summary: *Elvis: Aloha from Vegas* traces The King's journey through the 70s, a period of reinvention. It kicks off with a seven-year annual residency at the International Hotel in Las Vegas, running through sold-out shows at Madison Square Garden, and culminating in a historic, international, live satellite broadcast from Hawaii. Staring Victor Trevino Jr, the performance will feature unforgettable songs and promises to be a spellbinding tribute to the legend.
