**Letter from the Director**

Hello Friends,

We are quickly moving from summer to fall, one of my favorite times of year. Like many of you, I have missed summer gatherings and travel. I am looking forward to some fall countryside drives with my family; I love all the beautiful colors that come with fall.

It has been a turbulent year for everyone. I pray everyone is staying safe and healthy.

We are still looking forward to our Branson trip in November and hope you will be able to join us. We will take many precautions and safeguards.

Ghosts, bats and pumpkins! Oh my! Our next event, the Halloween Haunt, will be here soon! We'll be dressed up—will you?

## KVSb Spotlight On Display: Glenna Machin's Halloween Collection

I've always enjoyed Halloween and over the years the enjoyment has grown. This love of Halloween has been passed on to my grandchildren. As soon as Halloween is over we start talking about what kind of costume we are going to wear next year. Several years ago I started collecting Halloween decorations. The kind I really like are what I call "the toothy grin look."

You can tell that by the items I choose. They remind me of the paper

mache decorations they made in the 40s and 50s. Another decoration I really like are the Beistle die cut decorations and Gurley candles. I am always on the hunt to add to my collections at gift shops, thrift shops and garage sales. Like all collections, the search is the adventure, the find is the reward.

- Glenna Machin

**Do you have a cool collection you want to show off? Let us know! Contact Sara or Lisa about getting it displayed in our lobby!**
